Re: Cancellation of Proposed BESS Project ST-19

Dear Community Members,

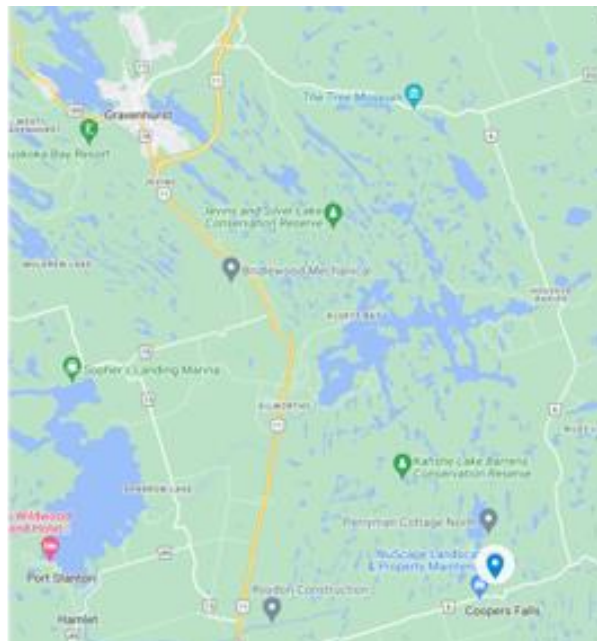

We are writing to announce that the proposed Battery Energy Storage System (BESS) Project, with Project Name of ST-19, which was to be located in GPS: 44.790181, -79.237088, close to Coopers Falls Rd & Highway 11 (in Gravenhurst as the map indicates below) **will not be moving forward** at this time in the response to the IESO's (Ontario's Independent Electricity System Operator) Request for Proposals (RFP) for the Procurement of Long-Term Electricity Reliability Services (LT RFP).

We received public concerns about the site location and value the opinion of the community. This decision was made after public consultation and further site evaluation and environmental considerations.

Proponent Name: 1000234813 Ontario Inc.

ST-19 Location:

(Legal Description): PCL 28086 SEC MUSKOKA; E 1/2 LT 6 CON A MORRISON; S/T LT19286; GRAVENHURST ; THE DISTRICT MUNICIPALITY OF MUSKOKA

Sincerely,

Mila Simon  
Project Coordinator
